

# The Healing Process with Auto-Immunity & Lyme: *The Role of Essential Oil Plant Medicine in Chronic Conditions*

**FREE Lecture with Naturopathic Physician, Dr. Josie Schmidt**

**WHEN:** April 17, 2017

**TIME:** 7:00 pm

**VENUE:** Princeton Elks, 354 Co Rd 518, Skillman, NJ 08558

**Dr. Josie Schmidt, ND will discuss the crucial role that Essential Oils can have in the treatment of Lyme disease and other Auto-Immune disorders.**

She will explore how essential oils work, what makes them different from other plant based herbal medicine, what makes an essential oil Therapeutic grade, and the importance of having a complete treatment protocol.

You will be sure that you are receiving Therapeutic grade oil when you begin incorporating her Lyme and immune protocols with a personal wellness advocate using doTERRA's CPTG oils.
